SoundForm™ Inspire

Wired Over-Ear Headset for Kids

Chosen by 1M+ kids and parents.†

Comfortable, high-quality wired headphones made especially for kids. Young ones can safely listen to audio while distance learning, traveling and streaming online videos with Safe Sound technology that limits volume to 85 dB. Soft, smaller cushion cups and an adjustable headband ensure an excellent fit for smaller ears. The foldable headband is designed for carrying and placing in a bag or backpack. The quality boom mic keeps the sound clear during distance learning. 3.5mm and USB-C audio compatibility assures easy connection with many devices. Available in black and lavender colors.
