Connect
USB4® Cable, 240W + 20Gbps

The Belkin Connect Family

Connect products are all about making connections. From cables that charge and share data, to docks and hubs that bring devices together for a more streamlined experience, Connect delivers data in the most efficient way possible, while maintaining the highest levels of quality. The very first product Belkin released to market was a cable, and we are proud to say that making connections has been an essential part of our story ever since.

The Belkin Difference

- Pioneer in innovation and technology for 40 years

The Belkin Connect Family Characteristics

- One-cable solution to connect essential peripherals to a computer
- Single solution to connect you to multiple peripherals
- Multiple ports provide fast, simultaneous connection
- Designed for portability to facilitate quick and easy workstation setup and takedown

SKU#: INZ004bt2MBK, INZ004tt1.2MBK

*Product housing (excluding cable jacket) is made of a minimum of 75% post-consumer recycled plastic.

†Some functions may be limited for devices supporting over 20Gbps. Please refer to your device specifications for more information.
