The Belkin BoostCharge Family

A family of power products with fast charging in their DNA. Designed to integrate seamlessly to any environment to deliver fast, safe power at home, in the car or on the go. Smart circuitry detects the connected device to deliver optimal charging, while universal charging protocols such as USB-A, Lightning connectors and USB-C offer widespread compatibility.

The Belkin BoostCharge Family Characteristics

- Faster charging than standard 5W
- Widespread compatibility
- Portability
- Smart circuitry detects connected devices to deliver optimal charging
- Certified by relevant bodies for compatibility (examples include USB-IF, MFi)
- Connected Equipment Warranty up to $2,500‡

The Belkin Difference

- Pioneer in innovation and technology for 40 years
- High-quality construction and materials provide lasting reliability
- Connected Equipment Warranty and 2-year warranty provide added peace of mind
- USB-IF and MFi certification ensure compatibility and safety
